6	_____	_____
7	_____	_____
8	_____	_____
9	_____	_____
10	_____	_____
11	_____	_____
12	_____	_____

Instructions: After deciding your numerical rotation, fill out this form using the player's jersey numbers. Prior to the game, give this to the scorekeeper. The sub rotation applies until the last period.

Rules: If a player arrives after the rotation is submitted, he/she is added to the bottom of the list and subs in accordingly.

If a player is injured or leaves early, the next available number sub is used. It does not create a free sub situation
